## 01 MARY HARRIS

On Friday, November 11th our nation celebrated Veteran's Day to Honor those who bravely protect and serve. At Mary Harris Elementary, Ms. Ricard's third grade Social Studies class sent 25 letters to Operation Gratitude to be included in care packages for servicemen and women. Tonight we join them in saying, "Thank you!"

## 02 BILL R. JOHNSON CTE

Congratulations to our BRJ CTE culinary students who won first place overall at the High School World Food Championships competition in Dallas on Nov. 9th. The team of five served a curried beef taco on a wonton shell, which was topped with rainbow slaw and whipped goat cheese. Great job students and staff!

## 03 DAVID L. WALKER

Amazon Employee Network and ONM Living have partnered with David L. Walker to extend students' opportunities for learning far beyond the school walls. Our students will tour the Amazon Robotics Operation and visit ONM Living to learn about home architecture and construction surrounding the campus. Partnerships matter in CISD!

## 04 TARLETON-FT. WORTH EDUCATION PROGRAM

The Tarleton-Fort Worth Education Program has recently adopted June W. Davis and Deer Creek Elementaries. The program will sponsor a holiday Angel Tree, offer professional development, develop mentorship opportunities and explore new pathways for para certifications. Thank you to Dr. Becker and the Tarleton leadership for your support!

## 05 S.H. CROWLEY

Students were fully engaged as Joshua Christian, lab instructor from the University of North Texas, shared a simulation of how doctors use virtual reality to help simulate real bodies in their virtual labs. Thank you to the UNT Health Science Center at Fort Worth for extending student learning and showing our students what the future holds. #CrowleyPrideUnified

## 06 CANNED FOOD DRIVE

The Crowley Pride Unified Canned Food Drive took competition to the next level.
