01 NATIONAL SCHOOL COUNSELORS WEEK

Crowley ISD employs 39 certified counselors. These staff members work diligently with students to promote mental wellness as well as ensuring that students are college, career and military ready. We appreciate our CISD school counselors!

02 J.A. HARGRAVE

Hargrave's Lego Robotics team "The Unexpected" competed during the last week of January and won the CORE Values award while advancing to the regional championships as the top 4 out of 18 teams. We're so proud of them. Go Gators! Presentation later tonight!

03 GROWING OUR OWN

Crowley ISD has been awarded six Texas COVID Learning Acceleration Support (TCLAS) grants to provide funding for paraprofessionals to become certified to teach in the district. 77 CISD paras attended an interest meeting on Monday 2/7 to learn more about this opportunity!

04 100TH DAY

On February 1st, elementary students across the district celebrated their 100th day of school by dressing up, counting to 100, sorting hundreds of items, and doing hundreds of things. Teachers and students challenged their creativity while celebrating 100 days of learning.

05 JACKIE GARDEN

Leading up to the opening ceremony in Beijing, Jackie Garden also held its annual Winter Olympics. Cougars from every grade level participated in an opening ceremony and paraded around the gym. Sports competitions included ice skating, curling, bobsledding and cross country skiing.

06 OAKMONT

Oakmont Elementary is hosting a Uniform Drive from February 7th - March 11th. Families are encouraged to bring clean, gently used uniforms to the Oakmont office. These uniforms are then redistributed to students and families in need. Great job Hawks! Act like and family...work like a team.

22 Crowley ISD student-athletes have now signed their National Letters of Intent to play football, volleyball and softball at various colleges and universities in 2022.
