

Points of Pride

1

SUMMER CREEK

Summer Creek Middle School students welcomed a special guest speaker, Brooke Hart Jones, during their Pride and Purpose Brunch on Wednesday, February 21! The HBCU graduate and entrepreneur talked to students about her HBCyoU Dolls and how she made them to inspire, encourage, and motivate others to know about higher education and to reach their dreams. A special thank you to Survive and Thrive Education, who sponsored the event.

2

NORTH CROWLEY

Congratulations are in order as North Crowley High School Texas Association of Future Educators advances to state! We are super proud of the 8 qualifying students who will be competing at the 40th Annual Teach Tomorrow Conference and Competition which starts next week in Round Rock, Texas. Crowley pride...unified!

3

MARY HARRIS

The Mary Harris Huskies are ready for the Cowtown Kids 5K with their new shoes thanks to our friends at The Cowtown Calf! The students were so excited & grateful to receive shoes and we want to thank Coach Hayworth for setting up the giveaway and for helping train our Huskies for the big race. The race is February 24, and we will be cheering you on all the way!

4

DEER CREEK

February 9 was STEM Day at Deer Creek and across the district! The activities were focused on the engineering design process, which allowed our students to think critically about how to solve real world problems like the need for clean water and transportation! Shoutout to Mr. Bell for organizing everything and reminding our students of the importance of STEM everyday! Great work!

MORE CROWLEY PRIDE ON BACK

National FFA Week

5

BILL R. JOHNSON CTE

February 17 - 24 is National Future Farmers of America Week and we are Crowley proud of our FFA at BRJ. Future Farmers of America is the largest student-led organization in the US promoting agriculture and premier leadership. Crowley FFA was founded in 1994 and there are currently 412 members and 5 junior members in the organization...the largest in Crowley FFA history! Awesome accomplishment! We are excited about the future of our farmers!

6

CROWLEY COLLEGIATE

Great things are on the horizon for Crowley Collegiate Academy scholars, Katelyn Lenahan and Francis La who were selected winners of the UT Austin Fall Undergraduate Research Symposium and the TCC Cultivating Scholars Conference, respectively. Their research will be showcased at the National Conference for Undergraduate Research hosted by California State University, Long Beach in April 2024. These two scholars along with Amaya Cervera and Edidong Ekong competed in both conferences based upon an elective research course taken during the summer. Way to go Crowley Collegiate...we are proud of your success!

7

OAKMONT

This week is Kindness Week and at Oakmont Elementary students were challenged to join the fun. Students enjoyed a week of dress up days which included dressing like superheroes, wearing workout gear to inspire them to work through their problems and wearing career clothing to remind them to grow up spreading kindness. In Crowley ISD, we act like a family and family kindness matters! Great job Oakmont!
