

Points of Pride

1 | SUMMER MEALS

Students may be on summer break, but healthy meals don't take a vacation. Crowley ISD is providing free breakfast and lunch to anyone ages 18 and under during the summer. You don't have to be a Crowley ISD student to receive a free meal. Visit our website for more information about dates, times and locations. Thank you to Aramark and all those involved in making sure our students are taken care of this summer. Way to go team!

2 | GRADUATION

Crowley Pride was on full display this past weekend as we participated in our 2024 graduation ceremonies. Congratulations to the 570 graduates from Crowley High School and the 634 graduates from North Crowley High School and their families. We wish you much success in your future endeavors and hope you know that we will always welcome you back home to Crowley ISD. Crowley Pride Unified.

3 | ATHLETICS

On Tuesday, May 14, City Hall was filled with Eagles and Panthers as Fort Worth leaders recognized our varsity athletic teams that competed in the playoffs this school year. A special thanks to council members Dr. Jared Williams and Chris Nettles, both proud products of CISD, for celebrating our student-athletes.

4 | BESS RACE ELEMENTARY

Nothing says spring like a new garden, that's why we are Crowley proud of the students at Bess Race for kicking off the 2024 Sensory Garden this week. According to Principal Garrison, in the sensory garden, students develop an appreciation for the natural world. It is a place where memories are made and lifelong learning is created. A huge thank you to the Chisholm Trail Education Foundation for making this space possible for our students!

MORE CROWLEY PRIDE ON BACK

5 | HONOR CHOIR

Saturday May 11th was an AMAZING evening of song and dance from the Crowley Honor Choir! The performance of, "Why We Sing: Celebrating the Power of Music," included music from The Lion King, Frozen, Moana and more! The night ended with the introduction of the 2024-25 Honor Choir inductees who will be joining the choir next school year. Way to go, students and staff for an impressive, beautiful production! Crowley pride...unified!

6 | CROWLEY COLLEGE PREP ELEMENTARY

On Thursday, May 9 the proud first grade authors of Crowley College Prep Elementary celebrated publishing their first book with a book signing party. The authors read their book with pride and signed copies for family and friends. Mrs. Robinette then celebrated each student with an individual award to recognize their special place in the first grade class family. We can't wait to read more from these incredible young authors. Way to go CCPE team!

7 | CROWLEY COLLEGIATE

The Board of trustees would like to congratulate Crowley Collegiate Academy graduate Karla Vazquez who has been named a Dell Scholar. Vazquez is 1 of 500 students in the United States who will receive this scholarship! Dell Scholars receive a \$20,000 scholarship toward the student's academic career. Karla will be attending Southwestern University in Georgetown, Texas this fall. Way to go Ms. Vazquez.
