### Crowley ISD School Board

Our aspiration in Crowley ISD is to ensure that all students have access to a GREAT SCHOOL and are provided excellent educational experiences so that they achieve their full potential. When our students graduate from Crowley ISD, they will leave with more than a diploma. They will leave with choices and opportunities. We designed this School Quality Report (SQR) to highlight metrics that matter and to share with our community the areas of progress, the areas of opportunity, and the comprehensive quality of each school in Crowley ISD. This SQR is our effort to increase transparency by synthesizing the quantitative metrics with qualitative parent voices to provide a complete assessment of school quality.

S.H. Crowley Elementary has been a nurturing environment for our children. The dedication of the teachers to my child's growth is evident every day, and we are grateful for the strong community that supports our kids both academically and personally.

Lesly, S.H. Crowley Parent

I love to teach at THE S.H. Crowley Elementary for three simple reasons! 1. We have the most resilient students, who walk into our campus with open minds, a willing attitude, and a desire to be better every day! 2. The staff! We are a staff that truly supports everyone through thick and thin. If there's a problem that needs solving, so many open doors and listening ears that are willing and able to help! 3. We have the best administrators!

Knowing that I can go to my principal or assistant principal for anything is a blessing. Admin that lifts me up, has my back, and pushes me to reach my greatest potential is all that I can ask for!

Ms. Bennett, S.H. Crowley Teacher

What I like about my school is that all the teachers say, "Hello" to you every morning. It makes me feel good to start my day!

London, S.H. Crowley Student
